

Rotary District 5010

Leadership Lab

Knowledge for leadership & action

The Leadership Lab will help you make the most of your Rotary membership while you discover the many opportunities for fellowship and service worldwide. You'll also gain skills that will positively impact your professional and personal life.

Who Should Participate?

-  Incoming club officers
-  Past presidents wishing to get involved in Rotary leadership outside the club.
-  Members considering a club leadership position in the future
-  Those that want to learn more about Rotary and its programs, to become involved in our work in locally and globally.
-  Members who wish to enhance their leadership skills for all parts of their lives!

How to Register

Registration for the Leadership Lab will begin during PELS and continues until May 2026 or as space permits. Enrollment is limited.

You may complete the enrollment information here

Benefits

In addition to the personal and professional benefits to the participants, your club will benefit as you gain knowledge and techniques and engage your members in some of the activities during the courses.

Seven Monthly Courses

-  Cover the basics – increase your knowledge of Rotary
-  Operating a Highly Effective Club
-  Growing a Dynamic Club
-  Strengthening Leadership Skills: Rotary, Professional and Personal
-  Engaging Members in Changing Your Community & Our World
-  The Rotary Foundation: Changing Lives
-  People of Action: Get Your Club Recognized

What is the Cost?

Tuition in the Leadership Lab is **\$125**. Clubs are highly encouraged to support the tuition for your nominees. As a participant you are encouraged to form teams.
